

RAVEN CLOSE, GLOUCESTER, GL4 4AR

Severn Vale previously offered a development which included a number of Rent to HomeBuy properties.

What is Rent to HomeBuy?

Rent to HomeBuy is a way to 'try before you buy' and helps buyers onto the property ladder. It works in a similar way to New Build HomeBuy but allows you to rent the property for a predetermined time at a reduced rate. The idea is that you save a set amount each month which will be used for a mortgage deposit when you come to purchase shares in the property.
